Suggested Requirements

- **Familiarity with your machine**—Between now and the 21st, please pull out your machine manual, search youtube for your machine model, or enroll in the [FREE Craftsy class](#) so you can gain a basic understanding of your machine. Please feel free to contact me through the event page if you need any help.

Supply List

- **Sewing Machine** (my son will be using one of mine and I think the other is claimed by another student, but I'm sure we could drum some up if others need to borrow)
- **New machine needles** in size 80/12 (consult manual for brand/type)
- **Fabric Scissors**
- **Straight Pins**
- **Measuring Tape**
- **Pattern** (see suggestions below)
- **Fabric**—either 100% cotton (quilter's cotton) or flannel.
- **Thread to Match**
- **Notions** [according to pattern envelope](#)/online tutorial. This will probably just include elastic.

You don't even have to leave your house! If you prefer a paper pattern, I will list options for both below.
