

Sewing Machine 101 Sewing Machine 101 is designed for the true beginner, someone who is unfamiliar with a sewing machine or needs a refresher.

Great for all ages, 8 years & up

The goal of this class is to gain confidence in using your sewing machine!

We'll wind the bobbin and thread the needle, try out the buttons and knobs and finish with a quick draw string bag project.

Please be sure to bring:

- ☐ Sewing Machine*
- ☐ Power Cord
- ☐ Foot Pedal
- ☐ Bobbin(s)
- ☐ Owner's Manual (Many are available for download online)
- ☐ All accessories that originally came with the machine (presser feet, screwdriver, seam ripper, etc.)
- ☐ All Purpose Polyester Thread – any color
- ☐ Straight Pins, if you have them

*I have three student machines available to the first to request them
